F729/2006	Ribena	Ribena Blackcurrant Drink	Sept-06	<1

**Notes**

<1 = less than reporting limit of 1  $\mu\text{g/kg}$  (ppb).

All of the results are reported for the sample as purchased and the results have not been altered to take into account the recommended dilution factors.

\*This result as mentioned previously refers to the direct analysis of the sample, however, it is recommended on the product label to dilute 1 in 4 prior to consumption.
