

Notification Form for Food Supplements

IMPORTANT NOTICE:

1. Notification of food supplements is a statutory requirement under S.I. No. 359 of 2003, which covers the enforcement of food legislation in the area of food supplements.
2. Notification is required when a food supplement placed on the market for the first time in Ireland.
3. The term food supplement means food coming within the classification of food supplement for which the compositional and labelling requirements are laid down in Commission Directive 2002/46/EC on food supplements.
4. This form may be used to notify the Food Safety Authority of Ireland (FSAI) when a food supplement is placed on the Irish market for the first time. The duty to notify falls on the manufacturer if the product is manufactured in Ireland and on the importer if the product is imported into Ireland.
5. A separate form is required for each product.
