Company Secretary, Arsh Bazzar Limited

Closure Order

Regulation 30 of the European Union (Official Controls in relation to Food Legislation) Regulations 2020 (S.I. No. 79 of 2020)

To: Arsh Bazzar Arsh Bazzar Limited, [REDACTED]

I [REDACTED], being an authorised officer of the Health Service Executive under the Food Safety Authority of Ireland Act, 1998 and under S.I No.79 of 2020, and in exercise of the powers conferred on me by Regulation 30 of S. I No. 79 of 2020 hereby direct all or part of the premises, as identified in Part I of the Schedule be **closed** with immediate effect until the earliest of:

- (i) An order to contrary effect by a Court of competent jurisdiction; or
- (ii) Further written direction by the Health Service Executive

I make this order being of the opinion that there is failure to comply with food legislation for the particular reasons set out in Part 2 of the Schedule and being of the opinion that **all or part** of the business, or its establishments, holdings or other premises to which the order relates as identified in Part 1 of the schedule be closed.

Schedule

Part 1 Business/Establishments/Holdings/Other Premises

The business operated by **Arsh Bazzar Limited**, trading as **Arsh Bazzar** at **6 Mary Street, Clonmel, Co. Tipperary**

This Closure Order directs that:

Part of the business, its establishments, holdings or other premises be closed: **Butcher area.**

Part 2 Particular Reasons for making of the Closure Order

1. Cleaning and Sanitation

Legislation breached

Regulation (EC) 852/2004, Annex II, Chapter I, Paragraph 1

"Food premises are to be kept clean and maintained in good repair and condition"

Regulation (EC) 852/2004, Annex II, Chapter V, Paragraph 1(a)

"All articles, fittings and equipment with which food comes into contact are to: be effectively cleaned and, where necessary, disinfected. Cleaning and disinfection are to take place at a frequency sufficient to avoid any risk of contamination;"

Evidence of non-compliance

- (a) There was visible long-standing dirt, for example: extensive accumulation of food debris on floors, particularly along edges, corners and beneath equipment.
- (b) Equipment observed to be heavily soiled and unclean condition.
- (c) Door hinge on walk in coldroom heavily soiled with grease, food debris.
- (d) Door opener on inside of coldroom showed build-up of residue and surface deterioration, preventing cleaning.
- (e) Shelving is heavily contaminated with visible dirt, grease, and stains.
- (f) Fan unit and surrounding surfaces shows visible build-up of dirt, grease including deposits within fan guard.
- (g) The weigh scales control keypad was visibly soiled with food residues and dirt between and on buttons.

2. Lack of hot water

Legislation breached

Regulation (EC) 852/2004 Annex II, Chapter I, Paragraph 4

Regulation (EC) 852/2004 Annex II, Chapter II, Paragraph 2

"An adequate number of washbasins is to be available, suitably located and designated for cleaning hands. Washbasins for cleaning hands are to be provided with hot and cold running water, materials for cleaning hands and for hygienic drying. Where necessary, the facilities for washing food are to be separate from the hand-washing facility."

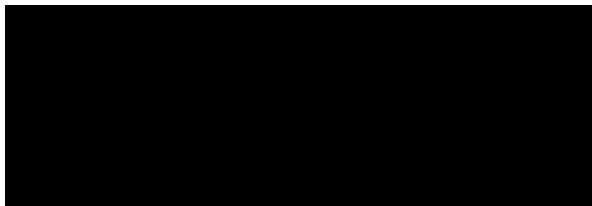

"Adequate facilities are to be provided, where necessary, for the cleaning, disinfecting and storage of working utensils and equipment. These facilities are to be constructed of corrosion-resistant materials, be easy to clean and have an adequate supply of hot and cold water."

Evidence of non-compliance

At the commencement of the inspection there was no hot water available at the wash hand basin or the sink used for cleaning equipment. There was no soap available at the handwash basin.
