EXPLANATORY NOTE

(This note is not part of the Instrument and does not purport to be a legal interpretation).

These Regulations transpose into Irish Law Commission Directive 2013/26/EU of 8 February 2013 (in so far as that Directive relates to infant formulae and follow-on formulae) adapting certain directives in the field of food safety, veterinary and phytosanitary policy, by reason of the accession of Croatia.

These Regulations amend the European Communities (Infant Formulae and Follow-on Formulae) Regulations 2007 (S.I. No. 852 of 2007) in the manner specified in these Regulations, particularly with regard to the extended list of names under which infant formulae and follow-on formulae may be sold and also provide for the recovery of costs from the defendant in the event of a successful prosecution, in addition to any fine or penalty imposed.

These Regulations may be cited as the European Communities (Infant Formulae and Follow-on Formulae) (Amendment) Regulations 2013.
